Download instructions:

Pre Checks:

- Please make sure your adobe reader is up to date the link is on the webpage.
- Also please keep an eye out for your Anti Virus software throughout the process as it may ask for permission or OK to run. Or something like that.

List of Instructions

1. Click Download
2. Save File
3. Open were you saved the file
4. Double click on irwfr.exe
5. Choose run
6. Choose next
7. Choose next
8. Click Finish
9. You will then have an icon on your desktop with two eyes that says improving relationships. Double click this icon
10. You will be able to choose Demo in the middle of the page to watch the introduction section.

If you would like to purchase follow the remaining instruction:

11. If you would like to purchase the program after this choose the word Activation in the top left corner
12. Enter in your details but do not use any hyphens' or other symbols in your Name
13. Click on Request Activation code, you will then get your first number
14. Click on the Request Activation Code button a second Time
15. This should then bring up a Pay Now button that will link you to PayPal
16. To Pay Choose either PayPal or Pay with debit or Credit card
17. Fill out your details
18. Click review and continue
19. Click Pay now
20. The next page will have a link back for your second number and it will also be emailed to you straight away
21. Enter second number into Second key (you can use ctrl+c to copy and ctrl=v to paste)
22. Click on Activate Code and all is done.
